Eternal Descent
"Eternal Descent
In a city where lost souls lurk in every shadow, darkness veils sinister designs. Heavy metal could be the key to salvation... or the gateway to destruction! A fallen hero, a twisted demon, one gorgeous succubus, and an army of chart-topping guitar heroes: the pieces are in place. The Descent begins!
Created by writer and musician Llexi Leon, Eternal Descent is an epic comic series that features cameos from several of ESP Guitars' most popular artists, presenting a radical new take on the metal genre.
Look out for iconic guitarists from Atreyu, Firewind, God Forbid, Static-X, Shadows Fall, and many more – as you've never seen them before!"
